CHANGE**

FAMILY EVENT

Friday, June 13 1-3pm
150-9th Avenue SW

In conjunction with our d.talks evening event on June 12, we are offering a family event on the plaza:

Aron Hill of workshop creative community space will lead a family gardening project - bring your own jar to build a terrarium.* - Other activities include parkour, seed give-away and much more.

This is a chance for kids to add to our discussion on seeding change for a better Calgary, one urban plaza at a time.

Public is welcome -open to all ages.

***Bring your own jar and \$2 to build a terrarium**
View the exhibition Hands-On Urbanism in the lobby.
